Dear Stevens:

I heard several days ago of the grant the Foundation made to my work, and I got an official statement of it today. I want to take this opportunity to write you a hasty note of thanks. Someday I may be able to write an adequate letter of appreciation to you and the Foundation for all that you have done, but the most important thing is to get the book finished and show you something more tangible. You have made it easier to do this, and I am most grateful.

With best wishes,

Yours very sincerely,
