Dear Dr. Russell:

May I acknowledge on behalf of Dr.

Flexner your letter of October 26 and inform you that the Board of Scientific Directors at its meeting held on October 27 confirmed the oral invitation previously extended to Dr. Wilbur A. Sawyer and his assistants, Dr. Martin Frobisher, Jr., Dr. W.D.M. Lloyd and Dr. S.F. Kitchen to make use of the laboratory facilities of the Institute for the period of the yellow fever research work at the Institute.

Sincerely yours

L. B. Smith
