Dr. J. George Harrar, President
The Rockefeller Foundation
111 West Fiftieth Street
New York, N. Y.

Dear Dr. Harrar:

Kindly permit me to add my personal thanks to those I am sure you have received from our campaign chairman, Mr. Mortimer, for the generous action of The Rockefeller Foundation to provide \$2,500,000 to aid Negro colleges. We are deeply grateful that of this amount, an outright grant of \$1,000,000 will be a contribution to the current development campaign of the United Negro College Fund. I am sure this gift will be a source of great encouragement to the colleges as they struggle to meet the ever mounting requirements of accreditation, along with the ascending costs of instruction. This gift continues the long and fruitful interest of the Rockefeller family in Negro education and represents a salutary new interest on the part of The Rockefeller Foundation. The gift, aside from the direct strength it will bring to the colleges, is an eloquent testimony of recognition of the indispensable role which the member colleges of the Fund have played and are destined to play in the education of Negro youth as these colleges assume their relationship as a normal and continuing segment of American higher education available to all youth.

With esteem and warmest appreciation.

Sincerely yours,

F. D. Patterson
Chairman of the Board
