Dear Son:-

I very much appreciate the desire of the incorporators of the Rockefeller Foundation to have me present at the organization meeting to be held on Thursday of this week, but everyday I am more and more impressed with the necessity of my getting all the oxygen and outdoor air I can crowd into each day, and beside Mother coming up, and some other things which I am keeping in touch with will make it difficult for me to leave. I trust however that you will assure the gentlemen how delighted I should be were it possible for me to be present and present to them my expressions of confidence and high esteem and my very kind regards and best wishes for each and every one of them.

Affectionately,

(Signed) Father
