October 31, 1928

My dear Miss Russell:

Thank you very much for sending me the outline of proposal covering the School of Nursing in the University of Toronto. We are very much in the thick of the November meeting business and Dr. Pearce is asking me to hold this material for the time being.

Sincerely yours,

MARY BEARD

Miss Kathleen Russell  
Department of Public Health Nursing  
University of Toronto  
Toronto, Canada
