Univ. of Toronto
School of Nursing

Dear Miss Beard:

I think you should be one of the first to know that the Trustees of The Rockefeller Foundation have voted endowment for the Toronto School of Nursing to the extent of C\$250,000. You worked so long on this project that I know you will take pleasure in realizing that at last the most important and final step has been taken.

Sincerely yours,

W. A. SAWYER

Miss Mary Beard
American Red Cross
Washington, D.C.
